SEED | Naturally covered

555RR BRAND PRODUCT BENEFITS

An economical Roundup Ready® alfalfa for dependable forage yield potential and good quality

- Rapid recovery after cutting enables maximum number of harvests
- High resistance to Stem Nematode
- Weed control at both stand establishment and in established stands means fewer weeds and higher quality hay and haylage
- Optimal crop safety at all growth stages provides increased yield potential in both the establishment and subsequent years
- Flexibility in timing of application allows growers to spray when necessary; no carryover or rotation limitations
